- Currently working on Master's thesis (expected completion: **DEC 2025**)

### BACHELOR OF INFORMATION TECHNOLOGY

COLLEGE OF ELECTRONIC TECHNOLOGY – BANI WALID | SEP 2015 – SEP 2019

- Graduated first in class with an overall score of 85.29%
- Member of the Student Union
- Final Project: Online Repository **FOR RESEARCHES AND STUDIES** System using **DSPACE**
  - ▶ Developed and deployed a university-level digital archive system
  - ▶ Worked with PostgreSQL, **APACHE TOMCAT** servers, and repository customization
  - ▶ Focused on backend architecture, database design, and user access control

# SKILLS

## PROGRAMMING & DEVELOPMENT

- **Flutter & Dart** (Cross-platform mobile development)
- **PHP, JavaScript, HTML5, CSS3, Bootstrap**
- **Firebase** (Realtime DB, Auth), **SQLite, PostgreSQL, MySQL, MS SQL Server**
- **API integration, RESTful services**
- **UI/UX Design** (Wireframing, Prototyping)
- **WordPress Development** (Themes, Custom Plugins)

## DATABASE & SERVER

- **Database Design & Optimization**
- **Data Backup & Recovery Management**
- **SQL Querying, Triggers, Procedures**
- **Server Configuration, Local/Cloud Sync**
- Experience with **DSPACE Repository, Linux Server Deployment**
- **VPS Management** (Web Hosting, Database Hosting, Uptime Monitoring)

## TOOLS & SOFTWARE

- **Adobe XD, Adobe Photoshop, Illustrator**
- **Cisco Packet Tracer** (Network simulation)
- **Notion** (Team & Task Management)
- **MS Office 365** (Administration, User Access)
- **MATLAB, LaTeX**

## OPERATING SYSTEMS

- **Windows** (Client & Server editions)
- **Linux/Ubuntu**
- **macOS** (for testing & deployment)

## NETWORK & IT SUPPORT

- LAN/WAN setup & troubleshooting
- Router/switch configuration
- Installation of biometric, CCTV, kiosk systems
- Domain, email, and hosting management

## SOFT SKILLS

- Strong communication & teamwork
- Technical training & mentoring
- Problem-solving mindset
- Client-facing & project coordination
- Ability to work under pressure and handle full project cycles

# LANGUAGES

Language	Listening	Speaking	Read/Write
<i>English</i>	Very Good	Very Good	Excellent
<i>Arabic</i>	Excellent	Excellent	Excellent
<i>Italian</i>	Beginner	Beginner	Beginner

## ACTIVITIES

- Member of the **Student Union** at the College of Electronic Technology – Bani Walid.
- **Graduated top of class** with an overall percentage of **85.29%** (BSc in IT).
- **Founding Member** of **Bonya for Innovation & Technology (BIT)** Organization.
- **Volunteer Network & Computer Engineer** for governmental and educational institutions, providing IT support and troubleshooting services.
- Participated in organizing tech workshops and student-led digital exhibitions.
- Currently self-learning **Italian** and improving **English** through online platforms.

## PORTFOLIO & PERSONAL PROJECTS

### WEB DEVELOPMENT PROJECTS

Developed and deployed multiple websites for clients:

- [Attaheel.com](http://Attaheel.com)
- [ldc.com.ly](http://ldc.com.ly)
- [Compassrate.com](http://Compassrate.com)
- [Ldc.com.ly](http://Ldc.com.ly)
- [mdc.demos.ly](http://mdc.demos.ly)
- [askeeb.ly](http://askeeb.ly)
- [alqudraalmutamayiza.com](http://alqudraalmutamayiza.com)
- [naqaa-alshakrin.ly](http://naqaa-alshakrin.ly)
- [rytalschools.ly](http://rytalschools.ly)

### MOBILE APPLICATIONS

1. **CETB Students App**  
Developed a Flutter-based mobile app for College of Electronic Technology students.
2. **Delivery Management System** (Flutter + Firebase)
  - Mobile App for **Customers**
  - Mobile App for **Drivers**
  - Web App for **Admins and Employees**
3. **Disaster Relief App**  
Created a mobile and web application in Flutter to support **Darnah Hurricane Victims**, allowing real-time tracking and state reporting.
4. **Exhibition Attendance System**  
Developed a comprehensive solution to manage and count visitors for:
  - **Libya Build Exhibition**
  - **Pharma Exhibition**
  - **Restaurants & Food Exhibitions**  
Features:
    - Local and cloud sync
    - Label printing
    - Web + Mobile integration (VB.NET, PHP, Flutter, MySQL)
